Dr. Carol Rae Hansen  
Professional Staff Member  
Committee on Foreign Relations  
United States Senate  
Washington, D.C. 20510

Dear Dr. Hansen: *Carol*

In your absence, I told Graeme Bannerman that we would be unable to answer the questions you addressed to Richard Kerr by July 7, and that July 14 would be much more convenient for us. Graeme concurred and suggested that I notify you in writing.

Sincerely,

STAT

*Carol,*  
Chief, Senate Branch  
Office of Congressional Affairs

*Your letter to Dick was not delivered until late yesterday. I believe that your first question is inappropriate for us to handle; perhaps you should ask the Department of Energy. Wilson back*
